

October 2019

Dear Sunland Neighbors

It is time for our annual reminder requesting donations to our Sunland Scholarship Fund. The generosity of the Sunland community is the only source of income for continuing this worthwhile endeavor. All donations except the cost of mailing this letter are devoted to scholarships to which Sunland homeowners have contributed since 1990. We are a 501(c)(3) corporation, so your contributions are tax deductible. Our EIN is 91-1496906.

In recent years, the Scholarship Committee has been able to award two or three \$4,000 scholarships annually. We continually receive notes from past recipients who apprise us of their academic progress and successes and thank us for helping them achieve their academic goals.

Please consider including the Sunland Scholarship fund in your charitable giving by using the enclosed envelope to send your check in any amount to the Sunland Scholarship Fund.

Cordially

Patricia Casey  
Chairman, Scholarship Committee
